MAY 17 - WEDNESDAY, MAY 23, 2007

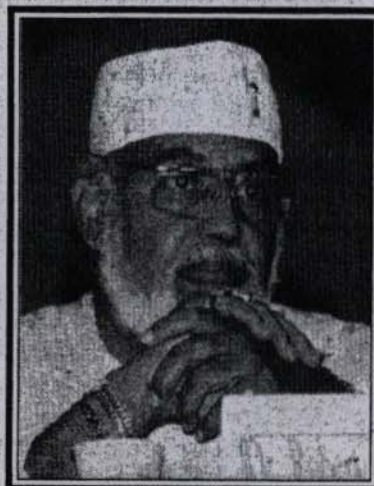

School Board approves students travel to Africa

At the April 18, Board meeting, the Miami-Dade County School Board approved item H-6 presented by District 1 School Board Member Dr. Robert B. Ingram requesting approval for two students and a teacher from Miami Carol City Senior High School to travel to Rwanda, East Africa, from May 23 - June 4, 2007.

The trip funded by the Foundation for Democracy in Africa is part of an exchange program and collaboration between the Miami-Dade County School Board and the Foundation for Democracy in Africa, a Washington, D.C. based NGO.

The student and Briana Davis and Anthony Rolle and Juliet Nwahiri and teacher would join an august group of students, teachers, and parents to have benefited from the premier and sustaining student exchange opportunity between students in Miami-Dade County, FL and Rwanda, East Africa.

In introducing the item, Dr. Ingram thanked the Board for

INGRAM

its foresight and vision in making this program a model for school districts around the country as it underscores the school district's motto of "giving our students the world"

For more information contact Dr. Ingram's office at (305) 995-1340.
