Procurement Management Services, at the request of the Office of Professional Development, released the above-referenced solicitation. The purpose of this Request for Proposals ("RFP") is to select an agency(ies) to deliver a wide range of professional development services to all non-public schools that have applied for services from the District under provisions of the Title II, Part A, Teacher and Principal Training and Recruiting Funds. This RFP required professional development services for the following three groups of participants: 1) Catholic schools represented by the Archdiocese of Miami; 2) Jewish schools represented by the Center for the Advancement of Jewish Education; and 3) Private schools not affiliated with the above. This RFP was advertised on the Procurement Management Services' website, the DemandStar website, BidNet, Florida Bid, *South Florida Times* and the *Diario Las Americas* newspapers, as well as emailed to 98 potential bidders.

The initial term of the bid shall be for a three (3) year period, commencing January 16, 2019 through January 15, 2022 and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for two (2) additional one (1) year periods.

Strategies were employed to increase SBE/MBE (Small/Micro Business Enterprise) participation and Local Preference. The Goal Setting Committee recommended that this solicitation be open with 5 preference points for SBE/MBE.

Ten (10) vendors responded to this solicitation, of which one (1) was deemed non-responsive. Based on the evaluation criteria listed in the RFP and the selection committee's recommendation, one (1) vendor was recommended for award.

In FY 2017-2018, the District spent \$297,705 on the current professional development services for non-public schools contract.
