

Office of School Facilities
Jaime G. Torrens, Chief Facilities Officer

SUBJECT: REJECT ALL PROPOSALS RECEIVED IN RESPONSE TO REQUEST FOR QUALIFICATIONS #161 FOR THE SELECTION OF SPECIAL PROJECTS CONSULTANTS FOR MECHANICAL, ELECTRICAL AND STRUCTURAL ENGINEERING SERVICES FOR PROJECTS UP TO \$2 MILLION EACH

COMMITTEE: FACILITIES AND CONSTRUCTION

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

On January 16, 2018, Request for Qualifications (RFQ) #161 was published for one (1) or more firm(s) per discipline to provide mechanical, electrical and structural engineering services as Special Projects Consultants (SPC) to support miscellaneous projects with construction budgets which do not exceed \$2 million, each. On February 20, 2018, six (6) proposals were received in response to the RFQ. Three (3) proposals were incomplete and therefore not evaluated. The three (3) remaining proposals were insufficient to provide one firm per discipline. Upon rejection of this RFQ by the Board, staff will re-advertise the solicitation and make efforts to attract additional mechanical, electrical and structural engineering firms.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, reject all proposals received in response to Request for Qualifications #161 for the selection of Special Projects Consultants to provide mechanical, electrical and structural engineering services for projects up to \$2 million each.
