

**Participation by the Public**

**SCHOOL VISITS**

The Board and staff of the school system of Dade County welcome members of the community and other interested persons to visit our schools. School improvements often come from suggestions originating in such visits.

The Superintendent of Schools is authorized to establish such regulations as will:

1. Encourage visitors to observe our schools;
2. Provide for appropriate hospitality for visitors; and
3. Insure that such visits will not interfere with the educational program.

Specific Authority: 230.22(2) F.S.

Law Implemented, Interpreted, or Made Specific: 230.23(17) F.S.
