

Contracts and Documents**CONTRACTOR DEBARMENT PROCEDURES**

A. Purpose of Debarment

1. The School Board of Miami-Dade County, Florida (hereafter referred to as the Board) solicits offers from, award contracts to, and consent only to subcontracts with responsible contractors. To effectuate this policy, the debarment of contractors from doing business with the Board may be undertaken.
2. The serious nature of debarment requires that this sanction be imposed only when it is in the best interest of the Board and for protection of the public, and not for purposes of punishment. Debarment shall be imposed in accordance with the procedures contained in this Board rule.
3. Debarment is intended as a remedy in addition to, and not in substitution of, the evaluation of the responsibility of Board bidders and contractors, and the rejection of Board bidders or the termination of contractors based on findings of non-responsiveness and non-responsibility on a case by case basis.

2. The list of debarred contractors and subcontractors shall indicate the:

D. Effects of debarment

Debarred contractors are excluded from receiving contracts, and departments of the Board shall not solicit offers from, award contracts to, or consent to subcontracts with these contractors, unless the Superintendent, in order to avoid an immediate and serious danger to the public health, safety or welfare, determines that an emergency exists that justifies such action, and obtains approval from the Board. Debarred contractors are also excluded from conducting business with the Board as agents, representatives, partners and associates of other contractors, subcontractors or individual sureties.

E. Continuation of current contracts

1. Commencing on the adoption date of this Board rule, all proposed Board contracts for construction, or the procurement of goods and services, including professional services, shall reference this Board rule and specify that debarment may constitute grounds for termination of any existing Board contract.
2. The debarment shall take effect in accordance with the notice provided by the Superintendent pursuant to section K. Notice of Debarment Committee's Decision, below, except that if a continuing contract or subcontract is in existence at the time the contractor was debarred, the debarment period shall commence upon the conclusion of the contract, absent termination, thereof, and in the interim the debarred contractor shall not enter into any Board contracts.
3. Current Board contracts may not be renewed or otherwise extended or consent given to subcontracts with debarred contractors, unless the Superintendent, in order to avoid an immediate and serious danger to the public health, safety or welfare, determines that an emergency exists that justifies the renewal or extension, or for an approved extension due to delay or time extension for reasons beyond the contractor's control, and such action is approved by the Board.

4. No further work shall be awarded to a debarred contractor in connection with a continuing or miscellaneous construction contract, or a continuing or miscellaneous contract for goods or services, including professional services, or similar contract, where the work is divided into separate discrete groups and the Board's refusal or denial of further work under the contract will not result in a breach of such contract.

F. Restrictions on subcontracting

1. When a debarred contractor is proposed as a subcontractor for any subcontract, the department shall not consent to a subcontract with such contractor unless the Superintendent, in order to avoid an immediate and serious danger to the public health, safety or welfare, determines that an emergency exists that justifies such consent, and the Board approves such decision.
2. The Board shall not be responsible for any increases in project costs or other expenses incurred by a contractor as a result of the Board's rejection of a proposed subcontractor, pursuant to subsection F. 1. above, provided that the subcontractor was debarred prior to bid opening or opening of proposals.

G. Debarment

1. The debarment procedures shall be in accordance with applicable laws, statutes, ordinances, codes and rules, at the state and federal level.
2. The Debarment Committee (hereafter referred to as the Committee) may, in the best interest of the Board and for protection of the public, debar a contractor for any of the causes listed in this Board rule, using the procedures that are outlined, below. The existence of a cause for debarment, however, does not necessarily require that the contractor be debarred. The seriousness of the contractor's acts or omissions and any mitigating factors should be considered in making any debarment decision.
3. Debarment constitutes debarment of all officers, principals, directors, shareholders owning or controlling ten (10) percent or more of the stock, partners, qualifiers, divisions or other organizational elements of the debarred contractor, unless the decision to debar is limited by its terms to specific divisions, organizational elements, or commodities. The Committee's decision includes any existing affiliates of the

contractor, if they are (1) specifically named and (2) given written notice of the proposed debarment and an opportunity to respond. Future affiliates, associates or employees of the contractor are subject to a pre-existing debarment decision.

4. A contractor's debarment shall apply to all Board contracts or subcontracts for construction and for the procurement of goods or services, including professional services.

H. Causes for debarment

1. The Committee may debar a contractor for a conviction or civil judgment for:

contracts; or the failure to perform, or unsatisfactory performance of one (1) or more contracts;
