General Personnel Policy Statement

CERTIFICATION: TEMPORARY INSTRUCTORS, NONDEGREE VOCATIONAL, ADULT PART-TIME TEACHERS, ADJUNCT EDUCATORS, CAREER SPECIALISTS AND EXPERTS IN THE FIELD

LOCAL CERTIFICATION

Pursuant to Sections 1012.39; 1012.55 and 1012.57, Florida Statutes (F.S.), employment of temporary instructors, teachers of adult education, nondegree teachers of career education, adjunct educators, career specialists, and experts in the field, each school district, will establish the minimal qualifications for the issuance of Miami-Dade County Public Schools (M-DCPS) certificates. Such certificates establish eligibility for employment, but confer no right to employment.

I. TEMPORARY INSTRUCTORS

A. Definition

The School Board defines a temporary instructor as a person properly qualified to serve as a substitute teacher who is assigned to instruct and supervise students in attendance whenever the assigned teacher is absent from the work location for less than ten (10) consecutive workdays, excluding weekends, holidays and teacher workdays.

B. Basic Qualifications

The Superintendent of Schools (Superintendent) or designee shall ensure that qualified candidates for a M-DCPS certificate as a temporary instructor meet requirements for employment, and shall maintain records of such information in the candidate’s personnel file.

To be eligible for M-DCPS certification and inclusion in the temporary instructor pool in the M-DCPS, the applicant must meet the following requirements:

1. Age: Be at least 18 years of age.

2. Fingerprinting: Submit to a fingerprint check from the Florida Department of Law Enforcement and the Federal Bureau of Investigation pursuant to Section 1012.32 F.S. If the fingerprint report indicates a criminal history or if the applicant acknowledges a criminal history, the applicant’s records shall be referred to the Office of Instructional Staffing for review and determination of eligibility for employment.
3. Educational Training: The applicant must have a Bachelor's degree or have completed a minimum of sixty semester hours or have an Associate's degree from an accredited college or university.

C. Application Procedures

The application for the M-DCPS temporary instructor certificate shall be submitted to Certification.

D. Issuance of M-DCPS Certificate

Following the clearance of fingerprints, Certification will issue a M-DCPS temporary instructor certificate valid for five (5) years, the year beginning July 1 and ending June 30.

E. Terms and Conditions of Employment

All terms and conditions of employment for temporary instructional personnel shall be in accordance with School Board rule for certified instructional personnel, whether State or M-DCPS certified.

F. Processing Fee

The district fee for processing the application for a certificate shall be equal to the fee charged by the State Department of Education.

II. NONDEGREE FULL-TIME VOCATIONAL INSTRUCTIONAL PERSONNEL

A. Definition

The School Board defines nondegree vocational instructional personnel as those staff members whose qualifications are established on the basis of occupational expertise in areas of Agriscience, Business, Family and Consumer Sciences, Health Science, Industrial, Marketing, Public Service Education and Technology; and who are assigned to teach only vocational courses when the Course Code Directory specifies nondegree vocational instructors as appropriate.

B. Basic Qualifications

The Superintendent or designee shall insure that qualified candidates for employment in a nondegree full-time vocational instructional position meet the minimum requirements for employment and shall maintain records of such information in the candidate's official personnel file.
To be eligible for a M-DCPS certificate for a full-time instructional position in a nondegreed vocational program in M-DCPS, the applicant must meet the following requirements:

1. **Age:** Be at least 18 years of age.

2. **Fingerprinting:** Submit to a fingerprint check from the Florida Department of Law Enforcement and the Federal Bureau of Investigation pursuant to Section 1012.32 F.S. If the fingerprint report indicates a criminal history or if the applicant acknowledges a criminal history, the applicant’s records shall be referred to the Office of Instructional Staffing for review and determination of eligibility for employment.

3. **Occupational Expertise:** Hold at least a high school diploma or the equivalent based on general education development tests or other achievement tests approved by the State Board which establishes the equivalency for a high school diploma, and establishes the minimum competency in the area of assignment based on the criteria listed below. Occupational expertise shall be established in the area of assignment by one of the plans specified below:

   a. **Plan One:** At least six (6) years of full-time occupational experience or the equivalent in part-time experience in the occupational field of the teaching assignment; or

   b. **Plan Two:** A minimum of two (2) years of full-time occupational experience or the equivalent in part-time experience in the occupational field of the teaching assignment or related occupational field as verified in Section II. B. 3.b. (7) of this rule in combination with one of the options listed below:

      (1) A bachelor’s or higher degree. The degree must have been completed at an accredited institution as specified in Rule 6A-4.003, FAC, with an undergraduate or graduate degree major related to the instructional assignment; or

      (2) Thirty-six (36) semester hours of college credit. The college credit must have been earned at an accredited institution as specified in Rule 6A-4.003, FAC, in skills or theory courses related to the instructional assignment; or
(3) Successful completion of a program of training. The training program must be specific to the area of assignment and completed at a postsecondary vocational or technical institution approved by the State Board for vocational education in the state where the institution is located; or

(4) A valid certificate, registration, or license which was issued by a recognized state or national credentialing agency in an area specific to the area of assignment; or

(5) A certificate of completion of an apprenticeship as established by the United States Department of Labor, the Florida Department of Labor/Education, or any state apprenticeship department which is specific to the area of assignment; or

(6) Thirty (30) semester hours of college credit. The college credit must have been earned by occupational competency tests in the area of assignment; or

(7) A written verification of the candidate's occupational competency. The verification of occupational competency shall be signed by the instructional supervisor of the area of assignment and the chairperson of the occupational advisory committee specific to the area of assignment.

c. Other requirements shall be:

(1) Occupational experience shall be gained as a wage earner after age sixteen (16).

(2) The occupational experience shall be verified by former employers; or for self-employment, experience in a family-owned business, or experience at a firm no longer in business, the experience shall be verified by an individual knowledgeable of the applicant's service. Employment verification shall not be accepted from the applicant or family members. The verification shall be provided on business stationery or a notarized affidavit(s) and specify the dates of employment, job title(s), and full-time or part-time employment. When employment was part-time, the number of hours worked per week shall be included.
(3) When occupational credentialing is required for program approval or for students to obtain an appropriate level of employment, the applicant shall be required to present the appropriate valid certificate, registration, or license, as defined by the appropriate instructional supervisor.

(4) Recency of experience or training shall be required in the occupational field of the teaching assignment as follows:

(a) At least six (6) weeks of occupational experience gained within the five (5) year period immediately preceding the date of application for employment, or

(b) At least three (3) semester hours of college credit earned within the five (5) year period immediately preceding the date of application for employment. The college credit shall be earned at an accredited institution as specified in Rule 6A-4.003, FAC, and shall be completed in skills or theory courses related to the area of assignment, or

(c) Completion of a vocational program specific to the area of assignment and completed at a postsecondary vocational or technical institution approved by the State Board for vocational education in the state where the institution is located or a certificate of completion of an apprenticeship as established by the United States Department of Labor, the Florida Department of Labor/Education, or any state apprenticeship department which is specific to the area of assignment within the five (5) year period immediately preceding the date of application for employment.

(d) One (1) year of successful teaching experience in the program area of assignment during the five (5) year period immediately preceding the date of application for employment.
C. Application Procedures

The application for a M-DCPS full-time nondegree vocational teaching certificate shall be submitted to Certification.

D. Issuance of M-DCPS Certificate

Following the clearance of fingerprints, Certification will issue to the employee a M-DCPS non-renewable temporary certificate valid for three (3) years, the year beginning July 1 and ending June 30. When the employee completes the professional preparation coursework (within the validity period of the temporary certificate), Certification will issue, upon application, a full-time nondegree vocational certificate valid for five years.

E. Terms and Conditions of Employment

All terms and conditions of employment for nondegree full-time vocational instructional personnel shall be in accordance with School Board Rule for certified instructional personnel, whether State or M-DCPS certified.

F. Processing Fee

The district fee for processing the application for a M-DCPS certificate shall be equal to the fee charged by the State Department of Education.

III. NONDEGREE PART-TIME VOCATIONAL INSTRUCTIONAL PERSONNEL

A. Definition

The School Board defines nondegree vocational instructional personnel as those staff members whose qualifications are established on the basis of occupational expertise in areas of Agriscience, Business, Family and Consumer Sciences, Technology, Health Science, Industrial, Marketing, Public Service Education and Technology; and who are assigned to teach only vocational courses when the Course Code Directory specifies nondegree vocational instructors as appropriate. Instructional personnel working only part-time shall be limited to working a maximum of twenty-five hours per week in any combination in M-DCPS.

B. Basic Qualifications

The Superintendent or designee shall insure that qualified candidates for M-DCPS certification in a nondegree part-time vocational instructional position meet the minimum requirements for certification and shall maintain records of such information in the candidate’s personnel file.
To be eligible for M-DCPS certification in a part-time instructional nondegree vocational program in M-DCPS, the applicant must meet the following requirements:

1. **Age:** Be at least 18 years of age.

2. **Fingerprinting:** Submit to a fingerprint check from the Florida Department of Law Enforcement and the Federal Bureau of Investigation pursuant to Section 1012.32 F.S. If the fingerprint report indicates a criminal history or if the applicant acknowledges a criminal history, the applicant’s records shall be referred to the Office of Instructional Staffing for review and determination of eligibility for employment.

3. **Occupational Expertise:** Hold at least a high school diploma or the equivalent based on general education development tests or other achievement tests approved by the State Board which establishes the equivalency for a high school diploma, and establishes the minimum competency in the area of assignment based on the criteria listed below. Occupational expertise shall be established in the area of assignment by one of the plans specified below:

   a. **Plan One:** At least six (6) years of full-time occupational experience or the equivalent in part-time experience in the occupational field of the teaching assignment; or

   b. **Plan Two:** A minimum of two (2) years of full-time occupational experience or the equivalent in part-time experience in the occupational field of the teaching assignment or related occupational field as verified in Section III. B. 3.b. (7) of this rule in combination with one of the options listed below:

      (1) A bachelor’s or higher degree. The degree must have been completed at an accredited institution as specified in Rule 6A-4.003, FAC, with an undergraduate or graduate degree major related to the instructional assignment; or

      (2) Thirty-six (36) semester hours of college credit. The college credit must have been earned at an accredited institution as specified in Rule 6A-4.003, FAC, in skills or theory courses related to the instructional assignment; or

      (3) Successful completion of a program of training. The training program must be specific to the area of assignment and completed at a postsecondary
vocational or technical institution approved by the State Board for vocational education in the state where the institution is located; or

(4) A valid certificate, registration, or license which was issued by a recognized state or national credentialing agency in an area specific to the area of assignment; or

(5) A certificate of completion of an apprenticeship as established by the United States Department of Labor, the Florida Department of Labor/Education, or any state apprenticeship department which is specific to the area of assignment; or

(6) Thirty (30) semester hours of college credit. The college credit must have been earned by occupational competency tests in the area of assignment; or

(7) A written verification of the candidate's occupational competency. The verification of occupational competency shall be signed by the instructional supervisor of the area of assignment and the chairperson of the occupational advisory committee specific to the area of assignment.

c. Other requirements shall be:

(1) Occupational experience shall be gained as a wage earner after age sixteen (16).

(2) The occupational experience shall be verified by former employers; or for self-employment, experience in a family-owned business, or experience at a firm no longer in business, the experience shall be verified by an individual knowledgeable of the applicant's service. Employment verification shall not be accepted from the applicant or family members. The verification shall be provided on business stationery or a notarized affidavit(s) and specify the dates of employment, job title(s), and full-time or part-time employment. When employment was part-time, the number of hours worked per week shall be included.
(3) When occupational credentialing is required for program approval or for students to obtain an appropriate level of employment, the applicant shall be required to present the appropriate valid certificate, registration, or license, as defined by the appropriate instructional supervisor.

(4) Recency of experience or training shall be required in the occupational field of the teaching assignment as follows:

(a) At least six (6) weeks of occupational experience gained within the five (5) year period immediately preceding the date of application for employment, or

(b) At least three (3) semester hours of college credit earned within the five (5) year period immediately preceding the date of application for employment. The college credit shall be earned at an accredited institute as specified in Rule 6A-4.003, FAC, and shall be completed in skills or theory courses related to the area of assignment, or

(c) Completion of a vocational program specific to the area of assignment and completed at a postsecondary vocational or technical institution approved by the State Board for vocational education in the state where the institution is located or a certificate of completion of an apprenticeship as established by the United States Department of Labor, the Florida Department of Labor/Education, or any state apprenticeship department which is specific to the area of assignment within the five (5) year period immediately preceding the date of application for employment; or

(d) One (1) year of successful teaching experience in the program area of assignment during the five (5) year period immediately preceding the date of application for employment.
C. Application Procedures

An application for a M-DCPS part-time nondegree vocational teaching certificate shall be submitted to Certification.

D. Issuance of M-DCPS Certificate

Following clearance of the fingerprints, Certification will issue, to the employee, upon application, a M-DCPS part-time nondegree certificate valid for five (5) years, the year beginning July 1 and ending June 30.
