

Welfare**STUDENT SERVICES PK-ADULT**

Student Services is a comprehensive program which is an integral and central component of the total educational program. The program is comprehensive, student-centered, and designed to enhance the academic, personal/social, career/community awareness and health and wellness skill development of all students. Students will be assisted in acquiring competencies in these four areas of development.

The Comprehensive Student Services Program supports academic achievement with a commitment to individual uniqueness, an understanding of cultural and linguistic diversity, and the maximum development of human potential. The ultimate goal of the program is for students to graduate with the competencies necessary to make self directed, realistic and responsible decisions, and to be successful contributors to society.

The Division of Student Services is responsible for the district-wide coordination of programs and services for students, families, and school personnel, and for the development of an integrated student services team at each educational center. These programs and services include, but are not limited to:

- College Assistance Program
- Comprehensive Health Services
- Crisis Management Program
- Curriculum Bulletin
- Full Service Schools
- Health and Wellness Program
- Health Connect in Our Schools
- Homeless Education
- Multicultural Counseling Programs
- Physical Education
- Safe and Drug Free Schools Program
- School Guidance & Counseling Program
- School Social Work Program
- Student Educational Records
- Substance Education Program
- Transition, Articulation, and Orientation, Curriculum and Services
- TRUST Program
