

Instruction--Elementary and Secondary**SCHOOL CALENDAR**

The school calendar adopted by the School Board annually, prior to the beginning of the new school year, will provide more than the minimum days required by law. The additional days scheduled will provide for in service staff study sessions, for summer programs of varying length, and for emergency school closings due to storms or other extreme events.

Personnel are expressly requested to take into consideration the vagaries of weather and other building-closing emergencies which could add additional days to the school calendar beyond those already set and avoid scheduling any activities requiring absence from duty immediately following the scheduled date of schools' closing.
