

Instruction - Elementary and Secondary

GROUPING

Miami-Dade County Public Schools' philosophy of education emphasizes respect for the learner's individuality; therefore the Superintendent of Schools shall develop an educational program in which grouping is based upon such criteria as achievement in the basic skills, intelligence, subject achievement, maturity, ability to cooperate with the group, social and physical development, similarity of interests, but not on any one of these factors alone.

Specific Authority: 230.22(2) F.S.
