

Planning**COOPERATION WITH GOVERNMENT UNITS**

The Board will work with state, federal and local agencies as prescribed by law, and will in addition cooperate with all governmental units in order to provide the best possible school facilities. Such cooperation shall include planning that takes into consideration the effects of the location of public education facilities, including the feasibility of keeping central cities viable, in order to encourage central city redevelopment and the efficient use of infrastructure, to discourage uncontrolled urban sprawl, and to protect South Florida's fragile environment.
