

**School Board--Methods of Operation**

**LIAISON REPRESENTATIVES**

The Chair may, as required, appoint individual Board members to serve as liaison representatives from the Dade County School Board to other official boards, agencies, and committees. Typical of such appointments are those to the Dade County Department of Public Health and the Dade County League of Cities.

Board members who desire to present reports of activities of these groups to the full Board may do so at any regular meeting of the Board under the Agenda heading, "Office of School Board Members."
